

# **Sandra Browning**

## **Memorial Music Booster's Scholarship**

Due to the counselor's office by March 15<sup>th</sup>

Sandra Browning was a lifelong Knox County resident who greatly valued music and the enjoyment it brought to her own life, her family, and others. She was a lady that not only loved to share her musical talents, but encouraged the development of others' talents by organizing and supporting events in her community and the surrounding area. The Knox County Music Boosters honor her memory by offering this annual scholarship in her name to a Knox County graduating Senior who has shared in that same love of music and plans to further his or her education beyond high school.

Please address the questions on the scholarship application by either typing directly on the form or by re-typing the questions and answers on a separate page. A separate page is required for the essay question, typed on one page with single spacing.

In the spirit of Sandra's love of music, the Knox County Music Boosters wish you, as a graduating senior, a successful future, and may you always find time for music in your life!
